Willas-Array appoints General Manager for Information Technology and Logistics

SINGAPORE – 1 September 2008 – Willas-Array Electronics (Holdings) Limited (“Willas-Array” or “The Group”), one of the largest Hong Kong-based distributors of electronics components in the Asia Pacific region, is pleased to announce the appointment of Mr Daniel Leung Chi Hang as the General Manager for Information Technology and Logistics with effect from 1 September 2008.

Reporting to Deputy Managing Director, Mr Hung Yuk Choy, Mr Leung will oversee the information technology and logistics functions of Willas-Array - two key areas which ensure the continual effective management of the Group’s operations.

Commenting on Mr Leung’s appointment, Mr Kwok Chan Cheung, Deputy Chairman and Managing Director said, “On behalf of Willas-Array, we would like to welcome Daniel on board. Daniel has brought with him extensive global consultancy experience in the areas of management and technology services. We are confident that he will be able to contribute valuably and help steer the Group to its next level of operational efficiency, cementing our position as one of the largest electronics components distributors in the Asia Pacific region.”

Prior to joining Willas-Array, Mr Leung served as a Consultant at Accenture, a global management consulting, technology services and outsourcing firm. He graduated from Fisher College of Business at The Ohio State University with a Bachelor of Science in Business Administration in 1998 and subsequently obtained his Master of Business

Administration (“MBA”) in 2004. Upon his graduation and prior to obtaining his MBA, Mr Leung worked at a trading company in Los Angeles, California, for four years, overseeing its daily operations.

Mr Leung is the eldest son of Mr Lawrence Leung, Chairman of Willas-Array.

About Willas-Array Electronics (Holdings) Limited

Established in the early 1980s and listed on the Main Board of the Singapore Exchange in 2001, Hong Kong-based Willas-Array is principally engaged in the distribution of active and passive components for use in the audio/video, telecommunications, industrial, consumer and computer segments. Backed by long-standing relationships with over 20 reputable Principals, Willas-Array carries a wide product mix, distributing and marketing in excess of 10,000 product items which cater to over 2,000 active customers. Its main markets are in Hong Kong and China.

In China, Willas-Array has established a network of offices strategically located in Beijing, Tianjin, Qingdao, Shanghai, Chengdu, Xiamen, Shenzhen and Guangzhou. It has subsidiaries in the Free Trade Zones in Shanghai and Shenzhen, both of which serve as logistics centres for the Group in North and South China respectively. In South Korea, Willas-Array has a subsidiary, which commenced operations in May 2002.

In February 2005, Willas-Array established a wholly-owned subsidiary in Taipei, Taiwan. The purpose of this subsidiary is to tap on the growing number of large electronic manufacturers in Taiwan doing business in China.
