## **TRANSFER OF SHARES TO HONG KONG PRIOR TO LISTING**

As disclosed in the section headed “Listings, Registration, Dealings and Settlement — Special Arrangements to Facilitate Transfers Prior to the Listing” of the Listing Document, special arrangements have been made to facilitate transfers of Shares prior to the Listing. In connection with the Listing, the Company will make arrangements for three batch-transfers of Singapore listed Shares for Shareholders seeking to transfer their Shares to the Hong Kong Branch Share Register prior to the Listing.

Shareholders who hold their Shares directly in CDP can complete and submit the request for withdrawal of securities form to CDP and the Removal Request Form to the Singapore Transfer Agent before the relevant dates stipulated below in order to participate in the Batch-Transfers.

For the first batch-transfer, the relevant date to submit the request for withdrawal of securities form (with a transfer deed) to CDP and the Removal Request Form to the Singapore Transfer Agent was November 20, 2013 and the relevant date that the Share certificates are available for collection from the Hong Kong Branch Registrar’s office will be December 4, 2013 (before the Listing Date).

For the second batch-transfer and third batch-transfer, the relevant dates to submit the request for withdrawal of securities form (with a transfer deed) to CDP and the Removal Request Form to the Singapore Transfer Agent was November 27, 2013 and will be December 4, 2013 (before the Listing Date) respectively; and the relevant dates that the Share certificates are available for collection from the Hong Kong Branch Registrar’s office will be December 11, 2013 and December 18, 2013 (after the Listing Date) respectively for the second batch-transfer and the third batch-transfer.

The Singapore Transfer Agent and the Hong Kong Branch Registrar have agreed to waive their charges to Shareholders in respect of the Batch-Transfers. CDP’s existing charges will still apply, together with any other costs to be levied by Shareholders’ own brokers, nominees or custodians (where relevant).

## **BRIDGING ARRANGEMENTS**

In connection with the Listing, Standard Chartered Securities (Hong Kong) Limited has been appointed as bridging dealer, on its own account, to undertake arbitrage activities including (i) to contribute to the liquidity of trading in the Shares on the Hong Kong market upon the Listing and (ii) to reduce potential material divergence between the Share prices on the Hong Kong and the Singapore markets. The Bridging Dealer also intends to implement the bridging arrangements described in the section

headed “Listings, Registration, Dealings and Settlement — Bridging Arrangements” of the Listing Document. The bridging arrangements are intended to facilitate the migration of Shares to the Hong Kong Branch Share Register in order for an open market in Shares to develop in Hong Kong following the Listing.

In connection with the bridging arrangements, on November 25, 2013, the Bridging Dealer entered into the Stock Borrowing and Lending Agreement with Global Success under which Global Success will, upon request from time to time by the Bridging Dealer, make available to the Bridging Dealer stock lending facilities for a period commencing from the Listing Date and ending on the 30th day from and including the Listing Date up to a maximum of 39,477,771 Shares, which are legally and beneficially owned by it, representing approximately up to 10.59% of the Shares in issue in aggregate, on one or more occasions, subject to the applicable laws, rules and regulations in both Singapore and Hong Kong and certain terms and conditions, including without limitation that the lending and the subsequent acceptance of redelivery of any Shares by Global Success, and the borrowing and the subsequent redelivery of any Shares by the Bridging Dealer, will not lead to either party being obliged to make a mandatory general offer under the Takeovers Code and/or the Singapore Code. The Shares to be lent by Global Success will be transferred to the Hong Kong Branch Share Register under the first-batch transfer and will be available in Hong Kong from December 4, 2013 (before the Listing Date). Such Shares will be used for settlement in connection with the arbitrage trades carried out by the Bridging Dealer in Hong Kong.

The Rules of the Exchange prohibit short selling save for short selling of Designated Securities (as defined in the Rules of the Exchange) during the Continuous Trading Period (as defined in the Rules of the Exchange). In this regard, the Sponsor, on behalf of the Bridging Dealer, has applied to the Stock Exchange for, and the Stock Exchange has granted an exemption, to permit the Bridging Dealer to conduct the proposed trading activities as described in the section headed “Listings, Registration, Dealings and Settlement” in the Listing Document which may constitute (or may be deemed to constitute) short selling of securities during the Continuous Trading Session (as defined in the Rules of the Exchange) in circumstances where the Shares are not Designated Securities (as defined in the Rules of the Exchange).

In addition, the Stock Exchange has granted an exemption to permit short selling during the Pre-opening Session (defined in the Rules of the Exchange as being from 9:00 a.m. Hong Kong time to the commencement of the morning trading session at 9:30 a.m. Hong Kong time) to allow the Bridging Dealer to conduct such short selling transactions of the Shares during the Pre-opening Session within the Bridging Period despite the Shares are not being designated as a Designated Security. The Sponsor, on behalf of the Bridging Dealer, has also applied for, and the Stock Exchange has

granted, an exemption from the provision of the Rules of the Exchange that a short sale shall not be made on the Stock Exchange below the best current ask price except where the Designated Security is a Market Making Security (as defined in the Rules of the Exchange) approved by the SFC to be excluded from the application of this provision.

The Bridging Dealer has set up a designated dealer identity number, 7681, solely for the purposes of carrying out arbitrage trades under the bridging arrangement in Hong Kong, in order to ensure identification and thereby enhance transparency of such trades on the Hong Kong market. The Bridging Dealer has also set up another designated dealer identity number, 7682, which will only be used in emergency and unforeseen situations if the aforesaid identity number for arbitrage trades cannot be used. Any change in such designated dealer identity number will be disclosed as soon as practicable by way of announcement on both the Stock Exchange and the SGX-ST, and will be posted by the Company on its website.

The Company will, as soon as practicable and in any event before the opening of trading hours on the Business Day immediately before the first day of the Listing, release an announcement on the Stock Exchange and the SGX-ST to inform the investing public of the following information as at the latest practicable date prior to the announcement:
