In view of the foregoing, the Audit Committee is satisfied that the internal audit function is independent, effective and adequately resourced with persons with relevant qualifications and experience, and has appropriate standing to discharge its responsibilities.

Further, as stated on page 47 of the Annual Report, the Board, with the concurrence of the Audit Committee and after carrying out an annual review, is of the opinion that the internal controls and risk management systems of the Group are adequate and effective to address operational, financial, compliance and information technology risks.
